

## Further Findings on Islamist Influence & Connections

Building upon prior investigations, additional links and figures have surfaced that deepen the understanding of the current jihadist and Islamist infiltration in Bangladesh.

### 1. Key Individuals & Their Influence

- **Nurul Islam Bhuiyan Choton** – Has significant influence over the interim government since August 5, coordinating with multiple Islamist figures.

- **Ezaz Mohammad** – Recently appointed **Administrator (Mayor) of Dhaka**, a critical position that could be leveraged for jihadist expansion.
- **Chowdhury Mueen-Uddin** – A former **Jamaat leader**, convicted of war crimes in Bangladesh, currently residing in the UK. He is a key figure in the **Global Pan-Islamic movement** and maintains ties with:
  - ◆ **World Assembly of Muslim Youth (WAMY)**
  - ◆ **Hizb ut-Tahrir (HT)**
  - ◆ **Muslim Brotherhood (MB)**

## 2. Organizational Involvement & Foreign Links

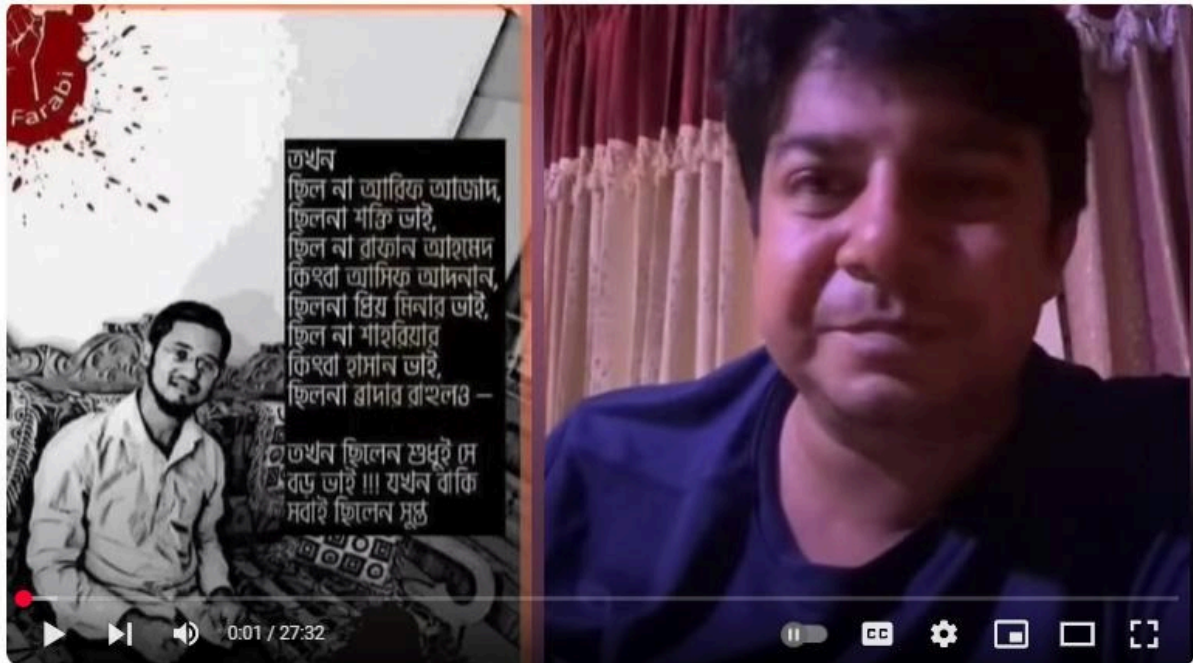

- Chowdhury Mueen-Uddin has played a role in organizing funding for Choton and **AB Party Bangladesh** (led by Barrister Asaduzzaman Fuaad aka Fuaad Abdullah) through **AK Party Turkey**, indicating strong international ties.
- This reinforces the involvement of foreign Islamist groups in Bangladesh's internal affairs, supporting both ideological and financial mobilization.

## 3. Islamist Network Within the Interim Government

→ Several individuals connected to Choton, Moeenuddin, and Ezaz Mohammad (**appear to be**) working toward a common agenda.

→ **Notable figures involved:**

- ◆ Choton, Ezaz Mohammad
- ◆ Pinaki Bhattacharya (key propagandist)
- ◆ Farhad Mazhar (ideological influencer)
- ◆ Mahmudur Rahman (ex-Jamaat, now involved in pro-Khilafat narratives)
- ◆ Dr. Khalil, Mustain Zahir, Adilur Shuvra

📷 this person (**Tarek Rahman** : joint member secretary of **Gono Odhikar Parishad**) was seen with **asif adnan**. (marked with the big circle, right side on the image) was also seen supporting gazwatul hind ('Ghazwa-e-Hind') type movements and pro khilafat narratives.

These individuals, operating within political, ideological, and digital spheres, are working toward advancing an **Islamist-controlled governance structure**, using legal, financial, and ideological pathways.
